

Minutes from BPC Year Group Cluster Meeting

Year group: Year 2	Venue: Parkside GGI Academy
Date: 13/6/17	Lead teacher: Susan Parrington
<p>Celebrations/Issues:</p> <p>Year 2 staff were pleased with the SATS and everyone have understood the interim assessments for the year and were organised to assess using these from September. It has been useful to see how other schools have used these eg some schools stick them at the front of books and date as the standard is achieved.</p> <p>Staff shared resources they use for teaching Maths. White Rose Maths is a free resource that you can register for online. Deepening Understanding and Maths Frame are all free online resources. There was some confusion over moderation processes and whether children had to be listed in ability order there were no clear guidelines this year on how the lists were presented.</p> <p>Louise Page from Yarlside agreed to leading the next cluster groups and the venue for the Autumn term will be held at Cambridge Primary.</p>	
<p>Actions from issues:</p> <p>To discuss with moderators whether there are clear guidelines – although some moderators present said they were not allowed to discuss moderation processes after completing their training.</p>	
<p>CPD requirements:</p> <p>Some schools requested training on 'Mastery'</p>	
<p>What is working well in your year group?</p> <p>Moderation groups are working well in the Year group although some schools asked if the groups can move around next year.</p>	
<p>Questions for Head Teachers:</p>	
<p>Next meeting 10th October 2017</p>	
Venue: Cambridge Primary	Focus: Moderation feedback and plan for the year ahead.
Date: 10 th October 2017	Lead Teacher: Louise Page
