

## Minutes from BPC Year Group Cluster Meeting

<b>Year group:</b> Reception	<b>Venue:</b> St Columba's school
<b>Date:</b> 13-6-17	<b>Lead teacher:</b> Kirsty Blanshard
<b>Issues:</b>  <u>Moderation – Literacy and Maths</u> We split into groups to moderate each other books in both areas. Parkside brought expected and exceeding criteria from Twinkl and we used these as a moderation aid. St. Columba's also brought moderation sheets as supplied by their head so we have concrete evidence of our moderation judgements. We also discussed what the county moderations were like and whether we agreed with those judgements.	
<b>Actions from issues:</b>  We all agreed the sheets provided by both schools were very helpful and we would use them again.  We were all in agreement with the judgements made but agree that maybe moderating in this way would be helpful before the county judgements next year.	
<b>CPD requirements:</b> N/A	
<b>What is working well in your year group?</b>  We are all using a variety of sources and strategies to make sure and accurate judgements. By having the cluster meetings we are all able to ensure that were are consistant with schools in our area.	
<b>Questions for Head Teachers:</b> N/A	
<b>Next meeting</b>	
<b>Venue:</b> Brisbane Park  When asked about lead teachers and venues, some attendees had left so it was suggested by Parkside that it could be asked either before the next meetings or at the next one.	<b>Focus:</b> Baseline
<b>Date:</b> 10.9.2017	<b>Lead Teacher:</b>
