

## Minutes from BPC Year Group Cluster Meeting

Year group: Reception	Venue: Brisbane Park
Date: Tuesday 10 <sup>th</sup> October 2017	Lead teacher: Mrs Julie Lewis
<p>Schools attending: St. Columba's, Parkside GGI, Vickerstown, North Walney, Dane Ghyll, Brisbane Park, Roose, Chetwynde, Cambridge, South Walney, Barrow Island and Ormsgill.</p> <p>Apologies: South Walney, Yarlside Academy, Holy Family, Sacred Heart and St. Pius.</p> <p>Issues: Several people attending the meeting had not received a copy of the agenda and had only found out about the meeting that day. It was agreed that if they provided their email/contact details on the sign-in sheet then the mailing list would be updated to ensure that they were more fully informed about forthcoming agendas.</p> <p>Dates were provided for future meetings and Parkside GGI (06.02.18) and Cambridge (22.05.18) kindly offered to host them.</p> <p>Providers were reminded of the forthcoming EYFS Profile Workshops in November 2017 and were reminded to book a place in order to understand the requirements of the EYFS Profile in 2017-8 and review outcomes of 2017.</p> <p>Reception Baseline Assessments and Moderation: St. Columba's provided a sample Moderation Sheet and the whole group split into smaller clusters to discuss baseline assessments and share examples of good practice. For those that felt it was useful work was moderated together, with a main focus on Literacy and Mathematics.</p>	
<p>Actions from issues: We all agreed that Moderation was extremely useful and had some evidence to take back to our schools.</p>	
<p>CPD requirements: None required</p> <p>Please note that for future meetings to be successful and beneficial it would be useful if all of those attending would be willing to contribute, especially with regards to the contents and expectations of future meetings. This is not a training course but an opportunity to share good practice and take part in informal discussions about EYFS and the classroom.</p>	
<p>What is working well in your year group? Children starting school were transitioning and settling-in well into their new routines.</p>	
<p>Questions for Head Teachers: N/A</p>	
<p>Next meeting:</p>	
Venue: Parkside GGI	Focus: Supporting children with SEN Follow-up from EYFS Profile Workshop (TBC)
Date: 6 <sup>th</sup> February 2018	Lead Teacher: Mrs Julie Lewis
