

Minutes from BPC Year 1 Group Cluster Meeting

Year group: Year 1	Venue: Yarlside Academy
Date: 7 th February 2018	Lead teacher: Amy Trainer
<p>Writing – Spelling, assessment, moderation:</p> <p>We looked at a selection of expected standard writing from different schools and all agreed that they were all expected standard. We also looked at different assessment sheet and checklists used. We compared the different objectives on our assessments and found most were similar and that, although we all use slightly different formats, we are all assessing children accurately. We shared our assessment resources. We all agreed that handwriting was an issue across the schools with lots of different approaches, time constraints and varied standards.</p> <p>Apologies Received From:</p> <p>Allison Kitchin</p>	
<p>Actions from issues:</p> <p>None at this time.</p>	
<p>CPD requirements:</p> <p>Someone mentioned a course they had been on regarding handwriting but couldn't remember the name of the tutor – Might this be something the Teaching School could put on if there was a tutor/trainer?</p>	
<p>What is working well in your year group?</p>	
<p>Questions for Head Teachers:</p> <p>None at this time.</p>
