<p><b>Cross school writing moderation</b></p> <p>All members cross moderated a sample of writing using their own school's assessment criteria. As a group, we shared and discussed different models of assessment. It was agreed that some of the models that reflect the Year 6 writing criteria more closely were proving useful. Most schools have moved to a system similar to this but are in the early stages of trialling the process.</p> <p><b>Apologies:</b></p> <p>Steph Head Sarah Turnough Steve Malpass Adrian Lett Barrow Island Staff</p>
