

Minutes from BPC Year Group Cluster Meeting

Year group: 5	Venue: Holy Family
Date: 22nd May 2018	Lead teacher: Ellie Benn
Issues: <ul style="list-style-type: none"> • Poor fluency and application of times tables. • Children having to start from 1x... rather than knowing the fact. • Some schools stated they struggle with parent involvement and a lack of resources (primarily I pads). 	
Actions from issues: <ul style="list-style-type: none"> • Hopefully the introduction of the statutory test in Year 4 will help future classes embed a quick recall of the multiplication facts and their inverses. • Things that work well: <ul style="list-style-type: none"> - Big Maths Learn Its - Times Table Rockstars - Mr Demaio and other songs on Youtube - BBC Supermovers - Numeracy Ninja - Twister board - Certificate system - Maths of the day (£500) - Speed grids - Board games/ Pair cards - Daily Maths questions (e.g. Maths 10) 	
CPD requirements: None	
What is working well in your year group? <ul style="list-style-type: none"> • Daily tables practise • Constant repetition and recall of multiplication facts • Songs for quicker recall of harder tables • Big Maths (seeing progress as the classes are coming through) 	
Questions for Head Teachers: None	
Next meeting	
Venue: South Walney Junior School	Focus: Science Assessment
Date: 9th October 2018	Lead Teacher: Fiona Anderson
