Date: Tuesday 9 th October 2018	Lead teacher: Sarah Jackson
<p>Schools Attending: Ireleth St Peter's, Brisbane Park, North Walney, Barrow Island, Cambridge, South Walney.</p> <p>Apologies: St. Columba's, Ormsgill, Vickerstown, Yarlside.</p> <p>Issues: Providers were asked to bring along baseline assessment date and any supporting evidence in the form of Maths/English books, Learning Journals etc. Cluster moderation sheets were provided for practitioners to discuss baseline assessments and share examples of good practice. There was a main focus on Maths and Literacy with some practitioners sharing the thought that cohorts seem to consist of more LA readers/writers this academic year than in previous years.</p> <p>Providers were reminded of the forthcoming EYFS Profile Workshops in November 2018 and were reminded to book a place in order to understand the requirements of the EYFS Profile in 2018-2019 and review outcomes of 2018.</p>	
<p>Actions from issues: Lead teacher and venues for future meetings 2018/19 still TBC.</p>	
<p>CPD requirements: A discussion was held regarding CPD provided by CCC. Providers agreed that there seemed to be a lack of EYFS related courses.</p> <p>Providers agreed that they enjoyed YTSA courses throughout last year and found them well-targeted to the needs and requirements of the cluster.</p>	
<p>What is working well in your year group? Entry to school seems smooth for most cohorts this year. Children are settling in well to their new routines.</p>
